COMMERCIAL CAPABILITIES

Thank you for your interest in Satara's range of luxury indoor and outdoor furniture. We take pride in specializing in working with the commercial market and design professionals looking for a high quality product that will make a lasting impact. We have a large range of luxury styles to choose from at affordable prices.

Our manufacturing facility has provided both indoor and outdoor furniture to resorts, hotels and hi-end residential villas throughout Asia, Australia, Mexico, Europe, The Greek Isles, Middle East and Denmark for over a decade. We have the capability to provide hotel room suites, foyer and restaurant furniture through to lounge areas and outdoor and pool furniture using our huge range of existing designs or designs specific to your requirements.

Our manufacturing capabilities include CAD design, kiln drying, CNC machining, woodworking, high density welding, powder coating, paint shop, natural and synthetic weaving, upholstery and packaging.

We utilise a huge range of natural and manmade materials including teak, mahogany, European oak, mindi, leather, rattan, Danish cord and a full range of veneers. Outdoor materials include aluminium, stainless steel, synthetic weave, textile and teak.

Here is a brief summary of our products and services:-

Design

Great design is at the core of our products. Our manufacturing is headed by a Danish design team that not only draws upon classic design influences but new and innovative designs and materials for the future.

Custom Capability

Our manufacturing facility has hundreds of designs available to suit most applications, we can also manufacture your own designs or can design specific pieces for you. We also have the flexibility to manufacture small runs of custom pieces.

INDOOR RANGE

The core of our indoor range is based on room packages for hotels and resorts as well as stylish reception, lounge and restaurant pieces. We have a large range of occasional chairs, side, coffee and night tables, sofas, desks and luggage tables. Our range of classic Danish and Nordic designs are also extremely popular. We can upholster in our range of factory fabrics or upholstery can be done locally.

OUTDOOR RANGE

- Our extensive range of all weather woven outdoor furniture includes sofas, arm chairs, sun lounges, daybeds, dining chairs, tables, feature pieces and accessories.
- All of our range can be mixed and matched enabling a totally coordinated outdoor suite that can be added to over time if required.
- Our furniture is Danish designed and is sold throughout Europe, Scandinavia, Asia and the Middle East.
- We are continually adding new innovative designs to our range
- Our furniture is enjoyed in hotels, resorts, cafes, wineries, RSL clubs, Aged Care Facilities, display homes, furniture rental and medium to high end residential projects.

Quality

- All our furniture is built to last. We use the best protective UV chemicals from BASF in Germany which protect our synthetic weave from fading and cracking in Australia's harsh climate.
- All furniture is expertly hand woven by our large team of skilled weavers in Indonesia and goes through a rigorous quality control process to ensure the weave is tight and seamless.
- Aluminium framing is 1.8mm powder coated tubing with high density welds for added strength. Our frames also include additional supports and stitched webbing.
- Outdoor Sofas and tables are fitted with quality adjustable feet
- Our high level of build quality and materials enable us to provide a 2 year Commercial use warranty and a 3 year residential warranty.

Outdoor Upholstery

- Our standard upholstery and foam are recommended for outdoor undercover areas
- For all weather applications we recommend the appropriate quick-dry foam and fabrics such as Sunbrella and Dickson. This can be manufactured locally to your specific requirements.

We believe in working in partnership to achieve the best outcome for our clients and the end users. Please consider Satara for your next project and don't hesitate to contact us if there is anything we can do to assist your business. (info@satara.com.au)
