Overview of Satara's flexible approach to assist you to furnish commercial projects.

Thank you for your interest in Satara's range of luxury indoor and outdoor furniture and homewares. We take pride in working with design professionals, in both the commercial and residential markets, who are looking for on trend design, high quality furniture, delivered on time and in a manner that will make a lasting positive impact for their clients.

Flexibility in our approach to meeting our customers' requirements **is what sets us apart.**

We provide you with the capabilities to ensure we deliver what your project requires, whether it be short production runs or project timeframes, one off pieces, use of different materials, colours and finishes, custom designs, or large scale quantities.

Our Danish design director has strong family connections around the world in both furniture retail and the hotel and resort contract market, and is continually gaining inspiration from global travels and projects. Our manufacturing facility has supplied indoor and outdoor furniture to resorts, hotels, serviced apartments, clubs, casinos and hi-end residential projects throughout Asia, Australia, Mexico, Europe, The Greek Isles, Middle East and Scandinavia for over a decade. Satara has been providing hi-quality homewares in Australia for over 14 years and luxury furniture to the Australian market for the last 4 years. We work on both new construction and refurbishment projects.

Satara has the capability to supply furniture using our huge range of **existing designs or designs specific to your requirements.** Ranges include:-

- hotel room suites (beds, bedside tables, desks, luggage racks, occasional chairs etc)
- foyer, public area and restaurant furniture
- outdoor, day-spa and pool areas.

Our **manufacturing capabilities** include

- CAD design team, Kiln drying, CNC machining, woodworking, high density welding, powder coating, paint shop, natural and synthetic weaving, upholstery and packaging.

We work with a large range of natural and manmade materials including:-

- Teak, mahogany, European oak, mindi, leather, rattan, Danish cord and a full range of veneers
- Outdoor materials include powdercoated aluminium, stainless steel, synthetic weave, textiline, teak, hi-density and quickdry foam, sunbrella and other hi quality outdoor fabrics.

We have an exquisite range of **Scandinavian inspired indoor furniture** as well as a large selection of **hotel room suites** in varied themes and styles. Outdoor furniture is a speciality with every conceivable requirement catered for. Our extensive range of Natural woven homewares, timber stools and outdoor accessories are also perfect for providing you with those essential decorating finishing touches.

We believe in working in partnership to achieve the best outcome for our clients. To ensure we can assist you in the future I will contact you shortly to confirm the best contact for us to liaise with in your organization, as well as to identify any future projects that we may be able to assist you with.

Please consider Satara for your next project and don't hesitate to contact us if there is anything we can do to assist your business. (info@satara.com.au)
