

Satara – New Product Release

Loupe Outdoor Furniture

Product Details

The new Loupe Collection features a kiln dried plantation teak frame handcrafted with solid square lines. The collection includes :- 3 seater sofa, lounge chair, single chair and stool/coffee table.(sizes available at www.satara.com.au). The new Loupe dining table features an interesting leg configuration that wraps around the table – 1 wide and 1 narrow leg. The loupe table can be combined with any of the synthetic weave and powdercoated steel chairs available in Satara's range.

Materials: Kiln dried teak frame with standard water resistant outdoor cushions

Colours: Natural teak with standard warm grey cushions as pictures – other upholstery colours available on order

Availability: On Order
